Your bid(s)				Your auction result(s)								
				Capacity data			Auction data			Clearing data		
Last valid bid ID	Timestamp	Capacity (kWh/h/M)	Premium (%)	Capacity (kWh/h/M)	Reserve price ([currency]/kWh/h/M)	Capacity fee ([currency]) (excl. VAT)	Auction premium (%)	Auction unit price ([currency]/kWh/h/M)	Auction fee ([currency]) (excl. VAT)	Clearing price (%)	Clearing unit price ([currency]/kWh/h/M)	Clearing fee ([currency]) (excl. VAT)
				a	b	c=a*b	d	e=b*d/100	f=a*e	g=100%+d	h=b*g/100	i=c+f

The above allocated capacity is an integral part of bundled capacity products offered by [TSO 1] and [TSO 2]. The associated capacity contract with [TSO 1] was allocated and confirmed to you under the RBP Auction Result Confirmation NO. [.....]

DISCLAIMER

The auction procedure was fully compliant with Regulation 984/2013 and the Operational Rules of RBP.

The present RBP Auction Result Confirmation shall be considered as an electronic capacity booking contract for the above allocated capacities. The contract was concluded between the above mentioned [TSO 2] and [NU2] in electronic way and electronic form. RBP confirms by digital signature that all data and details are correct and authentic in the RBP Auction Result Confirmation. The concluded capacity booking contracts are valid and effective without any further act between [NU2] and [TSO 2], according to the terms and conditions of the capacity booking contract of [TSO 2].

All relevant terms and conditions of the concluded capacity booking contract other than detailed above are governed by the national regulations relevant to [TSO 2]. By having participated in the present capacity allocation procedure, [NU2] declares to have read, understood and accepted the national rules and regulations relevant to [TSO 2] as applicable.
