Interconnection point name and code: 1Z000000000358C Balassagyarmat EUSTREAM - SK/Balassagyarmat MGT - HU	
Offered monthly capacity at Balassagyarmat HU>SK cross-border interconnection point as exit point	7 065 000 MJ/h (NCV 15/15) 2 175 453 KWh/h (GCV 25/0)
Contract period	From 1 st of August 2015 until of 31st of August 2015
Type of transmission capacity	interruptible monthly capacity

Tariff:

The transmission fees are calculated in accordance with the current MEKH Decree on gas network access fees, the rules of using incentives for improving service quality by the network operator by means of network access pricing, on applicable network fees depending on service quality, and on the conditions of applying network access fees, 1/2013.(VII.11.), Tariff Decree and its amendments.

Request and Allocation mechanism:

Requests shall be submitted according to the deadline specified by Grid Code on MGT's IT Platform.

In case of overbooking of non-interruptible capacities MGT will allocate its above offered capacities to the requestors according to monthly capacity auction based on 8.6.1.5 point of Grid Code.

Contract will be binding in case of properly signed contract by MGT being delivered to system user.

Bidders shall undertake to conclude a transmission contract with adjacent System Operators in case of an accepted capacity request. In default of it MGT is not able to accept the nominations.

According to the Government Decree 19/2009 (I. 30.) implementing the Act XL of 2008 on Gas Supply (GET), no financial obligation and no capacity booking is required at Vecsés connection point, but requestors must have KFSZRI contract with FGSZ for transition to the adjacent FGSZ system.

Requestor shall undertake to conclude an IT Platform Agreement, which will be signed no later than 5th working days before the first requested gas day

Requestor shall be submitted its shipper pair by the adjacent System Operators no later than 5th working days before the first requested gas day.

MGT shall require financial guarantee, which shall be the precondition for concluding the contract.
