

# Balancing in Hungary – contractual background

## 1. Step: Settlement bank agreement

List of settlement banks

## 2. Step: Contracting

### **with FGSZ Ltd.**

- Network Usage Framework Contract: Annex 4.1. of the Business Code
- Concluded and valid clearing membership agreement with KELER CCP is a precondition of connecting the system
- As an optional service, a linepack flexibility service (LPFS): conditions and fees

Further information: [www.fgsz.hu](http://www.fgsz.hu)  
For further questions: [kap@fgsz.hu](mailto:kap@fgsz.hu)

Network User balancing is performed jointly by FGSZ Ltd and KELER CCP.

As part of the balancing account process, FGSZ Ltd separates the amount of flexibility provided by the linepack (LPFS).

FGSZ Ltd shall provide data after the daily gas balance settlement, KELER CCP shall make financial settlement day-to-day after clearing and shall issue a collection account on a monthly basis

### **with KELER CCP Ltd.**

- Gas market clearing membership agreement
- Fees: Fee schedule, Collateral management fee
- Minimum initial margin requirements:
  - Initial financial collateral
  - Turnover margin
  - TP collective guarantee fund
